A Special Experience....

Students will spend a week away from home as a class group with their teacher and friends. Whilst here they will stay in guesthouses which prior to course commencement will be Garda vetted and checked by the department to ensure that they are suitable. Students will be grouped together in houses, this can be pre arranged by the class teacher. Boys and Girls are housed separately. On each course we will have 5 or 6 different schools so it will be a great opportunity to mix with other students from other areas. Students will be fully immersed in Irish language and culture for their weeklong stay. Total immersion is the key to successful language learning. We at Coláiste Chú Chulainn specialise in teaching Irish in a fun, enjoyable and effective way. Our teaching programme will provide you with the opportunity to develop and strengthen your ability to easily speak and understand our language.

Gweedore is the biggest Gaeltacht region in the country and Irish is considered as the first Language, students will hear and speak Gaeilge and will quickly become confident and capable of using their Irish and create a love and passion to improve their grasp of the language when they leave the course.

We are surrounded by natural beauty, wild life and stunning beaches, during the course we will visit these places on a daily basis. We offer fantastic activities such as boat trips and island hopping to the stunning islands that surround our shore line. We offer a wide range of sporting activities.

Our historical and educational trip to Glenveigh National Park and Heritage Centre is always a memorable experience.

Each evening students return to the college for a night of music and Craic. Safety and high standards of care are paramount and supervision from our qualified staff ensures that students have an enjoyable and unforgettable experience.
